SUMMER MEALS

A goal of USDA Child Nutrition Programs is to ensure all students have access to healthy and nutritious meals year-round. Even though a summer feeding program is not offered at The Colfax School District, USDA requires all schools to inform families of where their students can receive a free meal in the summer months. Schools can inform families of summer meals via the following methods:

- Promotion of the summer meals locator on the DPI Summer Meals webpage (<https://dpi.wi.gov/community-nutrition/sfsp/find-summer-meals-site>)
- Promotion of calling 211 to locate meals in the area
- Promotion of the ability to text “food” to 877-877 to locate meals in the area
- Promotion of the USDA Summer Food website (<http://www.fns.usda.gov/summerfoodrocks>)

RESOURCES:

- To access an inclusive map of all potential participating sites in your area, see the interactive map on the SFSP website (<http://www.fns.usda.gov/capacitybuilder>).
- For more information on Summer Feeding option contact:
Amy Kolano, RD, CD, Summer Food Service Program Coordinator
